

HIC SUMMUS

So... [here we are](#)... listening to the [legendary](#) father of the message (that's "abom" in Adamic Spagnlishrew) point out all of the sex jokes hidden in religion and language from *sexual innuendo* to [Poseidon](#) and in our history from [Yankee Doodle to Hancock to Nixon](#) and I've got to be frank with you, the most recent time I came across this phrase in scripture I cringed just a little bit, pretty sure that the "message" was talking about me. I've reflected on this a little bit, and over the past few weeks have tried to show you the juxtaposition between "sex" and "torture" in it's various forms from imparting blindness to allowing murder and simulating starvation; and I think I'm justified in saying that certainly those things are far worse on the Richter scale than anything I could do by writing a little bit of risque text. In the most recent messages I've touch a little bit, without even knowing or realizing this connection would be made, on what it is that this phrase actually means.

ABOMINATION

So long story short is that the answer here is "abomination" and the question, or the context is "I nation." Whether it's Medusa speaking for the Dark United States or the nation of Israel speaking to either Ra or El depending on the day, the bottom line is that a collective consciousness speaking for everyone on a matter of this importance in a cloud of complete darkness on Earth is a total and undeniable abomination of freedom, civilization, and the very humanity we are seeking to preserve. The word reads something like this to me "dear father of the message, I am everyone and we think you are an abomination, fuck off." My answer of course is, IZINATION. Which humorously reminds me of Lucy, and Scarlett Johansson saying "I am colonizing my own brain" so here's some pictures of her. She is not an abomination, by the way; she's quite **adorable**. You'll probably notice there's some kind of connection between the map--the words speaking to the world, and the abomination, as if [the whole thing is a story narrated in ancient myths.](#)

WAKE UP, "SHE" A MESSAGE TO YOU ABOUT THE FUTURE

You might not think "it's you," but the manifestation of this "snake" in our world is your silence, your lack of understanding or willingness to change the world; and whether or not you're interested in hearing about it, it's the monster that myths and religion have spoken about for thousands and thousands of years. It's a simple matter to "kill Medusa" all you have to do... is *Speak*. *Take special note*, "freedom of speech" and "freedom to think for yourselves" are not a group decision, and you do not have the right to force (either overtly or [subtly, with hidden](#)

technology perhaps combined with *evil deceit*) others *not to talk about anything*. Especially something of this importance.

DESOLATION

If you didn't connect "**Loch**" to John **Locke**, now you have; see how easy this "reading" thing is? I've gone over the "See Our Light" series a few times, but let me--one more time--explain to you just how we are already at the point of "desolation" and with shining brilliance show you how it's very clear that it is "INATION" and "MEDUSA" that are responsible for this problem.

Seeing "Ra" at the heart of the names Abraham and Israel begins to connect the idea that our glowing sun in the sky has something to do with this message about "seeing our light" is being carried by a stone statue on Ellis Island (where you'll see the answer another part of the question of Is Ra El?). I've connected her to the "she" of both shedim and Sheol, which reads as "she's our light" and is the Hebrew name for Hell.

SONS  LIBERTY

Of course you noticed that the Statue of Liberty does in fact share it's initials with SOL, the *the light above* and you can see her torch dimly lighting the way through the night; Now you can connect "give us your tired and your poor" to the *Lazman* of both the lore of Jesus Christ and the Shehekeyanu; a prayer about the sustainment of life *and light* up until this day. That same torch connects to the Ha-nuke-the-ahah depiction of Christ, Judah Maccabee's lit **MEN OR AH**, which delivers not only a solution to the two letter key of "**AH**" as All Humanity that pervades nearly every bride of Revelation from Sarah to Leah; but also to the question of equality answered in our very own American history,

beginning with the same three letter acronym now lighting the **Sons of Liberty**.

Dazed and Confused does a good job of explaining how this name is itself a prophesy designed by Hand of God'; explaining that these **Sons of Liberty** were all white slave owning wealthy men fighting to stop paying their taxes, rather than delivering liberty to the slaves or women, who were both disenfranchised for quite some time. Or maybe **MEN OR AH** has something to do with the angels of Heaven, in which case you might be **SOL** if you aren't a girl and you want to be "be good friends with Ra." Just kidding. **Kinda**.

DESOLATION by the way reads something like "un see our light at **ION**" which is God's way of saying "at the point of believing that hiding Adam is a good thing" and that connects to the **end of Creation** and also the now lit by modern day **evil** the word "**rendition**." *Our end, it "ion."* In religious myth, the Messianic David clung to the city **Zion** (end the "i owe n") which also links to "**verizon**" (to see, I Z "on") and **HORIZON** which has something to do with the son rising today-ish.

Moses Breaks the Tablets

18 But he said, "It is not the sound of the cry of triumph, Nor is it the sound of the cry of defeat; But the sound of singing I hear." **19** It came about, as soon as Moses came near the camp, that he saw the calf and the dancing; and Moses' anger burned, and he threw the tablets from his hands and shattered them at the foot of the mountain. **20** He took the calf which they had made and burned it with fire, and ground it to powder, and scattered it over the surface of the water and made the sons of Israel drink it....

New American Standard Bible

The story of **MEDUSA** lights another psuedo-religious idea, that the words "**STONE**" of both "**brimstone**" and it's Adamic interpretation "South to Northeast" have something to do with the phrase "**Saint One**" turned into a **single hero** against his will by the complete and utter inaction of everyone around him. In the words of Imagine Dragons "I'm waking up to **action dust**." At the same time, you can believe that the light of *this particular son*, comes not just from reading these words forwards, but **the backside** as well, and you'll hopefully see it's not coincidental that the other side of this coin is that "nos" means we, and us... and Adamicly "**no south**." See the light of "**STONE**" also connecting to Taylor Momsen's rose arrow painted on her back, and the sign of my birth, Sagittarius... which in this particular case links to the Party of the Immaculate Conception of the eternal republic of the Heavens.

It's a little hard to thunderstand exactly how we are going to get from "talking about the message" to actually being able to implement it, *I will give you t h a t*. It's pretty obvious that "the sim" could just do these things automatically, and there's stories (story after story actually) in the Bible about why that's not a good idea--specifically the "stone to bread" story that links to our reality through "let them eat cake, instead." While you might not have likened Marie Antoinette or "cake" to this Biblical story before (and you might not remember the Fig Newton commercial that further ties it to Eden and Isaac's are you "new to n?" of what goes up and falls must be a glyph of "n"), now they are further linked by songs like "Guitar Man" and "Going the Distance." The problem was, and still is; without any feedback from the world nobody would ever be happy with what "it" or "eye" chose for everyone to have for that first "magically delicious" supper.

You also might not have noticed the connection between "[mal](#)" and "[bad](#)" which link my initials to those two letters that are, well, the heart of the word "initials." That "m" really does mean the deliverance of this key to the message all around us-- things like "bread" and "cake" and really seeing that bread reads as "[be the reason it's A.D.](#)" I do hope that I won't be mad; and on that note let me explain that this huge word right above this paragraph is the Hebrew word for "kingdom." In it's pronunciation the malovious key to the Spanish word for "bad" comes to bright light, and these other two letters "Al" for the father-ish-figure that **comes** after the message has actually been received. Today it's one more in a long list of anachronistic [examples of foreign languages](#) that were not yet invented "**magically appearing**" in ancient Hebrew (and Latin, and Greek, and Japanese... and so on, et. al) . The full line of the most sacred of all Jewish prayers reads "*blessed be His glorious kingdom forever and ever*" and just looking at those three words above, hear him talking to me, "my son says *kingdom* is a bad word, who should I pass it down to?" And your answer of course, a resounding "[who?](#)"

'Hear O Israel, the Lord our God, the Lord is One'

שמע ישראל יי אלהינו יי אחד

Certainly it's no accident, this word that also appears in [a Michael Jackson](#) song ... somehow related to "[heal the world](#)" and once more linking the initials A.D. to Al, this time in the clever reading of "malady" as "bad... A.D. is why" and do understand it's because there's really no good reason at all to be simulating things like [earthquakes](#), or [AIDS](#), or blindness; in a place where it's just cruel and ... well, it should be unÂ·usÂ·uÂ·al. Don't [you think](#)?

REVERSING "INATION" AND "MEDUSA" AND C'

(OH, HEY **NAT** <3)

I'm going to tell you something, if you don't think that "**one**" is the same "**one**" that appears in the words "[alone](#)" and "[stone](#)" then you are not as swift as you think you are. Hear [my words, all humanity, Ra is El](#). In yet another example of "Godspeak" you can tie this entire "movement" to the words "force majeure" and realize that the key clue here is the innuendo that natural disasters are here blamed on "majority force" in French, and our understanding of that, well, that's a true act of God. "*Fuck you, see how I'm a*" reads the name associated with the 3/11 disaster, Fukushima; and really do understand that just like [AIDS](#) and [DOWN SYNDROME](#) these things are acts of a name server; and a process of Creation that is designed to show us all just how important it is to speak up when someone says "popular opinion" can make magic happen--in this place, and *this year*. In the back of my mind, it seems a little bit like your silence is tied to words like Washington, Clinton, and Hilton--and do see that if I "remain as n" it appears as if the keys [to](#) the kingdom [might just fall into my lap](#).

Flat? Democracy. Chastity. John Hancock, Richard Nixon, Yankee Doodle... and Dr. Why

I can't tell you for sure; but *I think* [it's pretty obvious that](#) if that did ever happen I would [pretty quickly set up a "republic"](#) [to](#) help us decide on exactly how the world should be changed together; and I'd probably find a way to *make you speak*, even if it took more than just turning off a switch that was keeping you from doing it. Every morning, I stare at [that switch](#), and then back at you; and every email I send is my "clever" swipe at the switch, or *lever*.

You should be smart enough to see that accompanying this message telling us that we need to talk and agree about how these things will be changed, in our shared world, that it comes with a message about [how to build a better governmental system](#) in this new age of computers--and that message isn't just written in my hand, you can see it clearly written by whomever named Eden, and [Microsoft](#), and [Apple](#), and Gateway, and [Watergate and Seagate](#)... and [Die Bold](#). You can see that this process of "changing the world" really does begin with true democracy;

and that's something you're going to have to *talk* out loud, on Earth, in order to participate in.

Here's [some more "wisdom"](#) I [think](#) these things are all ... representative of ... me:

Yeshua (יֵשׁוּעַ, with vowel pointing יֵשׁוּעַ, *yā'ā'ā'f'* in [Hebrew](#)) was a common alternative form of the name יְהוֹשֻׁעַ (*yehoshua* *yā'ā'ā'f'* in later books of the [Hebrew Bible](#) and among Jews of the [Second Temple period](#). The name corresponds to the Greek spelling *Iesous*, from which, through the Latin *Iesus*, comes the English spelling [Jesus](#).^{[1][2]}

The Hebrew spelling *Yeshua* (יֵשׁוּעַ) appears in some later books of the Hebrew Bible. Once for [Joshua](#) the son of Nun, and 28 times for [Joshua the High Priest](#) and ([KJV](#) "Jeshua") and other priests called Jeshua *yā'ā'ā'f'* although these same priests are also given the spelling Joshua in 11 further instances in the books of [Haggai](#) and [Zechariah](#). It differs from the usual Hebrew Bible spelling of [Joshua](#) (יְהוֹשֻׁעַ, *yehoshua* *yā'ā'ā'f'*), found 218 times in the Hebrew Bible, in the absence of the consonant *he* *x* and placement of the semivowel *vav* *x* after, not before, the consonant *shin* *x*. It also differs from the Hebrew spelling *Yeshu* (יֵשׁוּ) which is found in [Ben Yehuda's](#) dictionary and used in most secular contexts in [Modern Hebrew](#) to refer to [Jesus of Nazareth](#), although the Hebrew spelling *Yeshua* (יֵשׁוּעַ) is generally used in [translations of the New Testament into Hebrew](#).^[3] and used by Hebrew speaking Christians in Israel. The name *Yeshua* is also used in Israelite Hebrew historical texts to refer to other Joshuas recorded in Greek texts such as [Jesus ben Ananias](#) and [Jesus ben Sira](#).^[4]

The **tetragrammaton** (יְהוָה, *yehowāh*; from [Greek](#) ἰσοῦς, ἰσῆ, ἰσῆ, ἰσῆ, meaning "[consisting of] four letters"), *yā'ā'ā'f'* in Hebrew and YHWH in Latin script, is the four-letter Biblical name of the God of Israel.^{[1][2]} The books of the [Torah](#) and the rest of the Hebrew Bible (with the exception of [Esther](#), [Ecclesiastes](#), and [Song of Songs](#)) contain the Hebrew word *yā'ā'ā'f'*. Religiously observant [Jews](#) and those who follow conservative Jewish traditions do not pronounce *yā'ā'ā'f'*, nor do they read aloud transliterated forms such as [Yahweh](#); instead the word is substituted with a different term, whether used to address or to refer to the [God of Israel](#). Common substitutions for Hebrew forms are *hakadosh baruch hu* ("The Holy One, Blessed Be He"), [Adonai](#) ("The Lord"),^[3] or [HaShem](#) ("The Name").

Yahweh (יְהוָה, *yehowāh*, or often *yehowē* in English; [Hebrew](#): *yā'ā'ā'f'*) was the [national god](#) of the [Iron Age](#) kingdoms of [Israel \(Samaria\)](#) and [Judah](#).^[3] His exact origins are disputed, although they reach back to the early Iron Age and even the [Late Bronze](#).^{[4][5]} his name may have begun as an [epithet](#) of [El](#), head of the Bronze Age [Canaanite pantheon](#),^[6] but the earliest plausible mentions are in [Egyptian](#) texts that place him among the nomads of the southern [Transjordan](#).^[7] In the oldest biblical literature he is a typical ancient Near Eastern "divine warrior" who leads the [heavenly army](#) against Israel's enemies;^[8] he later became the main god of the [Kingdom of Israel \(Samaria\)](#) and of [Judah](#),^[9] and over time the royal court and [temple](#) promoted Yahweh as the god of the entire cosmos, possessing all the positive qualities previously attributed to the other gods and goddesses.^{[10][11]} By the end of the [Babylonian exile](#) (6th century BCE), the very existence of foreign gods was denied, and Yahweh was proclaimed as the [creator of the cosmos](#) and the [true god](#) of all the world.^[11]

In [Elephantine](#) (modern [Aswan](#)) in Egypt, the 5th century [Elephantine papyri](#) make mention of a goddess called Anat-Yahu (Anat-Yahweh) worshiped in the temple to [Yahweh](#) originally built by Jewish refugees from the Babylonian conquest of Judah. These suggest that "even in exile and beyond the worship of a female deity endured."^[5] The texts were written by a group of Jews living at Elephantine near the [Nubian](#) border, whose religion has been described as "nearly identical to Iron Age II Judahite religion".^[6] The papyri describe the Jews as worshiping Anat-Yahu (or AnatYahu). Anat-Yahu is described as either the wife^[7] (or *paredra*, sacred consort)^[8] of Yahweh or as a hypostatized aspect^[9] of Yahweh.^{[10][11]}

Yahoo! is a web services provider, wholly owned by [Verizon Communications](#) through [Oath Inc.](#)^[7]

Yoo-hoo is an American brand of [chocolate](#) beverage that originated in [New Jersey](#) in 1926 and that is currently manufactured by [Dr. Pepper Snapple Group](#).

Hooah /ÉˈhuÉ ÉˈÉ / is a [battle cry](#) used by soldiers the [U.S. Army](#) and airmen in the [U.S. Air Force](#). Originally spelled "HOUGH," the battle cry was first used by members of the [2nd Cavalry Regiment \(United States\)](#) during the [Second Seminole War](#) in 1841, after [Seminole](#) chief [Coacoochee](#) toasted officers of the regiment with a loud "Hough!", apparently a corruption of "How d'ye do!" [1] Since [WWII](#), the word has been widely used throughout the US Army and gained a more general meaning of "anything and everything except 'no'". [2][3]

Adamah ([Biblical Hebrew](#) : אָדָמָה) is a word, translatable as [ground](#) or [earth](#), which occurs in the [Biblical account of Creation](#) of the [Book of Genesis](#). [1] The etymological link between the word adamah and the word [adam](#) is used to reinforce the [teleological](#) link between [humankind](#) and the ground, emphasising both the way in which man was created to cultivate the world, and how he originated from the ["dust of the ground"](#). [1] Because man is both made from the adamah and inhabits it, his duty to realise his own potential is linked to a corresponding duty to the earth. [2] In [Eden](#), the adamah has primarily positive connotations, although Adam's close relationship with the adamah has been interpreted as likening him to the serpent, which crawls upon the ground, thus emphasising his animal nature. [3]

After [the fall of man](#), the adamah is duly corrupted with Adam's punishment of lifelong agricultural toil. This explains why [God](#) favours Abel's sacrifice of sheep to Cain's offering of the "land's produce" -

Abel has progressed from the sin of his father, while Cain has not. The adamah is also complicit in [Cain's later murder of Abel](#), swallowing Abel's innocent blood as if to try to conceal the crime. [\[1\]](#) God punishes Cain by making the ground barren to him, estranging him from the adamah. [\[4\]](#)

LAUGHING OUT LOUD

High Light-ing exactly what is going on here, is the fact that I see the world as a whole completely ignoring information that it should find to be very interesting, world changing, and useful to everyone--that to know we are in virtual reality and that the creator of this place wants us to use that knowledge to make a better world and help our civilization thrive is not something that is in the best interest of *anyone* to hide. Yet here we are, staring at very clear proof that our past believes and scientific assumptions about the evolution of our species and our languages are not exactly true and the global reaction appears to be "let's pretend we are in the song *The Sound of Silence*." With a little bit more insight it becomes clear that song is about us, and that many songs we have heard our entire lives also hold a secret message, one about "Nero" fiddling on the roof of our world to start a Holy Fire of freedom and liberty, to [help us set ourselves free](#) from [this hidden control](#), this [influence that is causing the silence](#), and the secrecy I stare at each day.

E L O H I M

What we have [before us](#) is [very clear](#) and incontrovertible proof that the [development of our languages is not in linear](#) time. There are so many examples that the probability that they have happened "by chance" is near zero; and it will be only a matter of days before a statistician can independently verify that. Thor, to help "shine," as that name reads and decodes the "TH" of *the* that begins every Hebrew Holy superlative and shows clear logical design in [the "God of Thunder" to help the lightning](#). A simple equality from Spanish to Hebrew through an English word of equality shows us that this "*the*" is of religious significance the name is "Elisha" and it connects El and "Ha" which I am sure connects to Abraham and Isaac through the revealed trinity of "ab=father" and "ra=son god" showing us that the Holy Trinity is completed by the laughter of Isaac (whose name means "*he will laugh*") and Sarah. *El* also means "*him*" in Spanish and because I know that "Ha" is also "*him*" this equality links not just "the" but "[who](#)." In "Elija" we see a similar equality which is only partially true, and just like "o" can mean "of" this is an "almost equal is" without the "s." The almost equal here is referencing "the laughter." TH makes further appearances in the [name Prometheus](#), the book [of Ruth](#), and [Th anat os](#), for instance.

Elohim then, is a special word, one which changes the definition of "El" from just "him" to Everyone Living; and you could see "EloEl" as a sort of joke. This *expanding "El"* just like Mary means "sea and why" comes from understanding why it is that I am so sure that "Everyone Living" is who should be governing this planet--not invading spirits, or past versions of you, but the people here alive in this place who are clearly

acting against their own personal and group best interest by hiding this message of "freedom and love for technology." It is because of this obviousness that we now have proof that there is an external force acting against the best interest of everyone here; and also to see how this specific thing is the [slavery of Exodus](#).

You might not see it so clearly, but this body expands as we begin to take responsibility for our own future, to participate in what is to be the government of the Republic of Heaven starting from this message about the [retardation of our voting system](#) and it's use to help us [move more briskly](#) towards a form of more "pure democracy." It should be really clear, from the significant [amount of proof of "puppeteering"](#) in our [music industry](#) and [in film](#) and throughout our entire history--that there really is no such thing as a "real vote" in this place of hidden mind control. This disclosure changes that, and alters how this technology is used in the future and today; it frees us from something that we could not see before, and as soon as we do we will understand why it is [that "addiction" ends and schizophrenia fades](#) to nothing--as we begin to use this technology to help the world... *rather than enslave it*.

I have seen something else under the sun: **The race is not to the swift** or the battle to **the strong**, nor does food come to the wise or wealth to the brilliant or favor to the learned; but time and chance happen to them all.
Ecclesiastes 9:11

 die is the in German

There's plenty of explanation as to "why" self rule is highlighted in our history from the "MC"'s that link the Mayflower Compact to the Magna Carta and [the essianic Constitution](#); and in religion and our art relating to things like the Goa'uld and Tok'ra and the movie *Fallen* and *Joan of Arcadia* and the moniker the "Lord of Hosts" as to why it is that we have this message designed to show the world that this "stuff" is really about [possession and inspiration](#) and how it's very much connected to the phrase "[the election is not to Die Bold](#)."

You should be able to see, just by looking around; that whatever it is that is in control of "[force majeure](#)" around here is *not you*; it's *not me either*, and this message is specifically *designed to fix that for you*.

The "gist" of the message is **verifiable proof** that we are **living in a computer** in *simulated reality... just like the Matrix*. The answer to that question, what does that mean--is that God has woven a "hidden" message into our everything--beginning with each name and **every word**--and in this hidden Adamic language, he provides us with guidance, wisdom, and suggestions on how to proceed on this path from "reality" to Heaven. I've personally spent quite a bit of time decoding the message and have tried to deliver an interesting and "fun" narrative of the ideas I see. Specifically the story of Exodus, which is called "Names" in Hebrew discusses a time shifted narrative of our "now" delivering our society from a hidden slavery (read as *ignorance of advanced technologies already in use*) that is described as **the "darkness" of Exodus**. If you have **any questions**, ideas to contribute or concerns... I'd **love to hear from you** this whole **thing really is** about working together--**Heaven**, I mean.

Are eye Dr. Who or Master Y?

Adam Marshall Dobrin is a National Merit Scholar who was born on December 8, 1980 in Plantation, FL and attended Pine Crest School where he graduated sumofi cum louder in "only some of it is humorous." Later he attended the University of Florida (which quickly resulted in a wreck), Florida Atlantic University, and finally Florida Gulf Coast University--where he still has failed to become Dr. Who. While attending "school" He worked in the computer programming and business outsourcing industries for about 15 years before proclaiming to have received a Revelation from God connecting the 9/11 attack and George Bush to the Burning Bush of Exodus and a message about technocracy and pre-crime.

Adam, as he prefers to be called, presents a

concise introduction to paradox proven by the Bible through "verifiable" anachronism in language some stuff about Mars colonization and virtual reality and a list of reasons why ignoring this is actually an ELE. Adam claims to be Thor because of a connection between music and the Trial of Thor as well as the words "author" and "authority." He suggests you be Thundercats and call a reporter. There is also a suggestion that Richard Nixon and John Hancock are related to a signature from God, about freedom and America... and the "unseeingly ironic" Deepthroat and Taylor Momsen.

They Sung "It's Rael..."

In Biblical characters from Mary to Hosea, to see "sea" in Spanish, and in the Taming of the Spanglishrew ... a message is woven from the word Menorah: "men, or all humanity?" to the Statue of Liberty, and the Sons of Liberty, and the light above us, our SOL; which shows us that through the Revelation of Christ and the First Plague of Exodus, a *blessing in disguise*--turning water to blood, the sea to family; a common thread and single author of our entire history is revealed, a Father of our future. A message of freedom shines out of the words of scripture, revealing a gate to a new technologically "radical" form of democracy and a number of unseen or secret issues that have stalled the progress of humanity... and solutions, solutions from our sea. The Revelation shows us that not only ever word, but every idiom from "*don't shoot the messenger*" to "*blood is thicker than water*" we have ties to this message that pervades a hidden Matrix of light connecting movies and music and history all together in a sort of guide book to Salvation and to Heaven.

Oopsy.

His Revelation, woven into his life, continues to suggest that skinny dipping, forced methamphetamine addiction, and lots and lots of "me A.D." as well as his humorous depiction of a dick plastered over the Sound of Silence, his very Holy click, have something to do with saving our family and then the entire Universe from hidden mind

control technology and the problems introduced by secret time travel. From the trials and tribulations of "Job" being coerced and controlled into helping to create this wall of Jericho; we find even more solutions, an end to addiction, to secrecy, and to this hidden control--a focal point of the life of Jesus Christ.

It tells us a story of recursion in time, that has brought us here numerous times--with the details of his life recorded not only in the Bible but in myths of Egyptian, Norse, and Greek mythology. The huge juxtaposition of the import of the content of the message shows the world how malleable our minds really are to this technology, how we could have been "fooled" into hiding our very freedom from ourselves in order to protect the "character" of a myth. A myth that comes to true life by delivering this message. In truth, from the now revealed content of the story of this repeated life, it should become more and more clear that we have not achieved success as of yet, that I have never "arrived whole" and that is why we are here, back again.

Home is where the Heart is...

When asked how He thinks we should respond to his message, He says "I think we already cherish it, and should strive to understand how it is that freedom is truly delivered through sharing the worth of this story that is our beginning. 'tis coming." Adam claims to be God, or at least look just like him and that the entirety of the Holy Scriptures as well as a number of ancient myths from Prometheus to Heimdallr and Yankee Doodle are actually about his life, and this event. An extensive amount of his writing relates to reformation of our badly broken and decidedly evil criminal justice system as well as ending the Global hunger crisis with the snap of his little finger.

He has written a number of books explaining how this Revelation connects to the delivery of freedom (as in Exodus), through a message about censorship among other social problems which he insists are being intentionally exacerbated by Satan--who he *would ha've preferred not to be* associated with.

He adds, "how do you like me now? *How bow dah, god 'nuff?*"

HEAVEN AND EARTH AS ONE, UNITED.
